

The Town of Clarence Youth Board and Youth Bureau Present:

Keeping Your Child Safe in a Cyber World

This program will address the challenges of parenting in today's digital age. The latest trends in internet safety will be presented as well as practical tips for dealing with the issues facing elementary to high school age youth.

Trooper John Campanella and Trooper Joe DePlato have been guest speakers addressing the topic of internet safety, cyberbullying and other related issues for many of our local school districts. They will provide a local perspective and answer questions from the audience.
